Give Online With Egiving!- Our online giving service has recently implemented an updated web page. There is a new web address that is linked from www.oaklawnlife.com. The site is now easier to navigate, and features important new security measures. One of the major differences to note is that users will now use their email address registered with eGiving to log on, rather than a username. Your previous password will still work, and your records are available in the new system. If you have any problems, please contact Jake at jake@oaklawnlife.com, or contact NCSServices directly at 865.658.3408.
